

JOB OVERVIEW

Due to our continued success and expansion, Midland Structures Ltd are seeking experienced fabricators to join a growing team. Commutable to Brierley Hill, you will have hands-on experience working with structural steelwork and will be able to fabricate complicated assemblies working from detailed drawings. In addition to the required technical skills, you must also be motivated to be a part of a successful and growing business. In return, you will become an integral part of the Midland Structures team; committed to offering the very best quality of work and service to all of our highly valued customers.

JOB TITLE	Welder / Fabricator DAYS
LOCATION	On-site
JOB TYPE	Full-time, permanent
RATE	£13.50 - £15.50 p/h (subject to experience)
HOURS	Monday – Friday, 07:00 - 15:00 (40 hrs p/w & paid 30 min. break)

KEY RESPONSIBILITIES

- ❖ Read from Tekla drawings & fabricate often complex assemblies.
- ❖ Use of MIG welding equipment to complete single and multi-run fillet and butt welds.
- ❖ Work to critical dimensions and tolerances, often with minimal supervision.
- ❖ Work quickly but accurately to meet crucial deadlines.
- ❖ Work safely and ensure all work meets our quality standards.
- ❖ Maintain condition of tools and equipment.
- ❖ Maintain a tidy and safe workplace in line with company policies.
- ❖ Use of plasma/oxy cutting equipment.
- ❖ Operating overhead cranes.
- ❖ Have a flexible approach to working additional hours (dictated by workload).
- ❖ Motivated to develop and grow with our company.

THE COMPANY

Midland Structures Ltd is a well-established Structural Steelwork Contractor based in the West Midlands. We offer a coordinated design, manufacture, and installation solution for all types of steel structures.

Through investment and innovation, we have developed a supply chain capable of accommodating our customer's requirements with projects ranging from 1 tonne up to 1000 tonnes. With the latest software and machinery, we are able to process in excess of 150 tonnes of steelwork per week.

Our 70,000 sq. ft. factory is equipped with two cut and drill lines, submerged arc welding, in house shot blasting, plasma cutting, robotic coping, off site assembly and a dedicated intumescent paint facility. Our Cutting-Edge facility reliably gives customers steelwork delivered on time and within budget allowing us to focus on building relationships within the industry.

Dedication to our customers and providing excellence are at the core of what we do.

BENEFITS

In addition to a competitive salary, we offer the following benefits to all employees*:

- ❖ Life Insurance
- ❖ Health cash plan
- ❖ Wellbeing support
- ❖ Health screening
- ❖ Employee Assistance Programme (EAP)
- ❖ Long-term sickness cover
- ❖ Peoples Pension (state scheme)
- ❖ 28 days holiday (including statutory holidays)
- ❖ On-site parking

**Certain benefits are only available following successful completion of a probation period.*

HOW TO APPLY

Please send a copy of your CV (including contact details) to Nick Westwood, our in-house Talent Acquisition Specialist: careers@midlandstructures.com.
