

# JOB DESCRIPTION

## JOB OVERVIEW /

Midland Structures Ltd are seeking a skilled and experienced Mechanical Fitter with expertise in structural steelwork and pipe fitting to join our team. The ideal candidate will have past experience working within a similar environment and will be responsible for assembling and installing structural steel components and pipework systems according to engineering specifications. This role requires a high level of precision, technical expertise, and the ability to work collaboratively with other team members to ensure project success.

In addition to these requirements, you must also be motivated to be a part of a successful and growing business. In return, you will become an integral part of the Midland Structures team; committed to offering the very best quality of work and service to all of our highly valued customers.

<b>JOB TITLE /</b>	Mechanical Fitter (Pipework & Mechanical Services)
<b>LOCATION /</b>	On-site
<b>JOB TYPE /</b>	Full-time, permanent
<b>RATE /</b>	Negotiable dependant on experience
<b>HOURS /</b>	Monday – Friday, 07:00 - 15:00 (40 hrs p/w with a paid 30 min. break per shift)

## KEY RESPONSIBILITIES /

### Installation & Assembly:

- / Assemble, fit, & install structural steel components and pipe systems according to detailed plans & technical drawings.
- / Use a variety of tools including measuring equipment, hand tools & power tools as appropriate.
- / Perform other duties as required, consistent with your skills & knowledge.

### Quality Assurance:

- / Ensure compliance with all relevant industry standards, safety regulations, & company policies.
- / Complete daily reports detailing processes & completed work for traceability.

### Collaboration:

- / Work closely with engineers, welders & fabricators to ensure projects are delivered on time.
- / Provide input on potential issues or improvements to assist in ongoing & future projects.

### Health & Safety:

- / Adhere to health and safety protocols, wear appropriate PPE & maintain a safe working environment at all times in line with the company's Health & Safety policies.
- / Report any unsafe conditions or practices to supervisors

## SKILLS & EXPERIENCE /

### Experience:

- / Previous experience working as a Mechanical Fitter with a focus on structural steelwork and pipe fitting being preferable.
- / Proficient in reading and interpreting technical drawings & plans.
- / Experience working in large construction or industrial projects.

### Skills:

- / Excellent mechanical aptitude and hands-on experience with various tools & equipment.
- / Strong problem-solving skills & the ability to troubleshoot mechanical issues.
- / Ability to work at heights & in confined spaces when required.

## BENEFITS /

In addition to a competitive salary, we offer the following benefits to all employees. \*

- / Life Insurance
- / Health cash plan
- / Wellbeing support
- / Health screening
- / Employee Assistance Programme (EAP)
- / Long-term sickness cover
- / Peoples Pension (state scheme)
- / 28 days holiday (including statutory holidays)
- / On-site parking

*\*Certain benefits are only available following successful completion of a probation period.*

## THE COMPANY /

Midland Structures Ltd is a well-established Structural Steelwork Contractor based in the West Midlands. We offer a coordinated design, manufacture, and installation solution for all types of steel structures.

Through investment and innovation, we have developed a supply chain capable of accommodating our customer's requirements with projects ranging from 1 tonne up to 1000 tonnes. With the latest software and machinery, we are able to process in excess of 150 tonnes of steelwork per week.

Our 70,000 sq. ft. factory is equipped with two cut and drill lines, submerged arc welding, in house shot blasting, plasma cutting, robotic coping, off site assembly and a dedicated intumescent paint facility. Our Cutting-Edge facility reliably gives customers steelwork delivered on time and within budget allowing us to focus on building relationships within the industry.

## HOW TO APPLY /

Please send a copy of your CV (including contact details) to Nick Westwood, our in-house Talent Acquisition Specialist: [careers@midlandstructures.com](mailto:careers@midlandstructures.com).
