

## JOB OVERVIEW /

Midland Structures Ltd are seeking an experienced steel paint sprayer to join our growing team. Commutable to Brierley Hill, you will ideally have experience working with heavy structural steelwork and will be able to confidently work to deadlines. In addition to the required skills, you must also be motivated to be a part of a successful and growing business. In return, you will become an integral part of the Midland Structures team; committed to offering the very best quality of work and service to all of our highly valued customers.

<b>JOB TITLE /</b>	Paint Sprayer <b>AFTERNOONS</b>
<b>LOCATION /</b>	On-site
<b>JOB TYPE /</b>	Full-time, permanent
<b>RATE /</b>	£13.00 p/h, plus £1.50 shift allowance
<b>HOURS /</b>	14:00 – 22:30 Mon – Thurs & 13:00 – 19:00 Fri (40 hrs p/w & paid 30 min. breaks)

## KEY RESPONSIBILITIES /

- / Move steelwork via manual handling, overhead crane & other lifting equipment.
- / Prepare steelwork prior to painting (this may require operating our shot blaster).
- / Follow work sheets to correctly identify the paint type required for each application.
- / Prepare paint & any equipment necessary to complete each job.
- / Use airless paint spray systems to apply various types of paint to structural steelwork.
- / Work to an exceptionally high standard of quality at all times.
- / Work at pace to ensure deadlines are met.
- / Work individually & as part of a small team.
- / Clean & maintain all painting equipment.
- / Complete daily work sheets detailing work completed.
- / Maintain a tidy & safe workplace in line with company policies.
- / Adhere to company Health & Safety policies at all times.
- / Wear correct PPE at all times in line with company Health & Safety policies.
- / Where required, complete any other duties as directed by supervisors or senior management.

## SKILLS & EXPERIENCE /

- / Exceptional attention to detail & accuracy (essential).
- / Experienced in working to strict quality standards (essential).
- / Able to work under pressure & meet tight deadlines (essential).
- / Experienced in painting structural or heavy steel, ideally 3 years + (preferred).
- / Experienced in the application of intumescent coating (preferred).
- / Some knowledge & experience of shotblasting structural steel (preferred).
- / Willingness to work overtime during busy periods.

## BENEFITS /

In addition to a competitive salary, we offer the following benefits to all employees. \*

- / Life Insurance
- / Health cash plan
- / Wellbeing support
- / Health screening
- / Employee Assistance Programme (EAP)
- / Long-term sickness cover
- / Peoples Pension (state scheme)
- / 28 days holiday (including statutory holidays)
- / On-site parking

*\*Certain benefits are only available following successful completion of a probation period.*

## THE COMPANY /

Midland Structures Ltd is a well-established Structural Steelwork Contractor based in the West Midlands. We offer a coordinated design, manufacture, and installation solution for all types of steel structures.

Through investment and innovation, we have developed a supply chain capable of accommodating our customer's requirements with projects ranging from 1 tonne up to 1000 tonnes. With the latest software and machinery, we are able to process in excess of 150 tonnes of steelwork per week.

Our 70,000 sq. ft. factory is equipped with two cut and drill lines, submerged arc welding, in house shot blasting, plasma cutting, robotic coping, off site assembly and a dedicated intumescent paint facility. Our Cutting-Edge facility reliably gives customers steelwork delivered on time and within budget allowing us to focus on building relationships within the industry.

## HOW TO APPLY /

Please send a copy of your CV (including contact details) to Nick Westwood, our in-house Talent Acquisition Specialist: [careers@midlandstructures.com](mailto:careers@midlandstructures.com).

Alternatively, you can apply for this position from our own careers page [midlandstructures.com/careers/](http://midlandstructures.com/careers/)
