

## JOB OVERVIEW /

Midland Structures Ltd are seeking an experienced welder to join our growing team. Commutable to Brierley Hill, you will have hands-on experience working with structural steelwork and will be able to confidently interpret detailed drawings and complete a variety of welds to specification. In addition to these requirements, you must also be motivated to be a part of a successful and growing business. In return, you will become an integral part of the Midland Structures team; committed to offering the very best quality of work and service to all of our highly valued customers.

**JOB TITLE /** Welder

**LOCATION /** Brierley Hill, DY5

**JOB TYPE /** Full-time, permanent

## KEY RESPONSIBILITIES /

- / Interpret Tekla drawings in order to weld steel assemblies.
- / Use MAG welding equipment to produce a variety of welds (including single & multi-run fillet & butt welds).
- / Work to critical dimensions and tolerances, often with minimal supervision.
- / Complete any fettling required.
- / Work quickly but accurately to meet crucial deadlines.
- / Work safely and ensure all work meets our quality standards.
- / Maintain condition of tools and equipment.
- / Maintain a tidy and safe workplace in line with company policies.
- / Use of plasma/oxy cutting equipment.
- / Operation of overhead cranes.
- / Manual handling / manoeuvring of steel.

## SKILLS & EXPERIENCE /

- / Coded to BS EN ISO 9606-1: 2017 (to meet BS EN ISO 1090 EXC 2 & 3) (preferred)
- / Exceptional attention to detail & accuracy (essential).
- / Experienced in working to strict quality standards (essential).
- / Able to work under pressure & meet tight deadlines (essential).
- / Experienced in welding structural or heavy steel (preferred)
- / Have a flexible approach to working additional hours / overtime (dictated by workload).
- / Motivated to develop and grow with our company.
- / Valid overhead crane and forklift truck licence (or willing to undertake training)

## BENEFITS /

We offer the following benefits to all employees:\*

- / Life Insurance
- / Health cash plan
- / Wellbeing support
- / Health screening
- / Employee Assistance Programme (EAP)
- / Long-term sickness cover
- / Peoples Pension (state scheme)
- / 28 days holiday (including statutory holidays)
- / Free on-site parking

*\*Certain benefits are only available following successful completion of a probation period.*

## THE COMPANY /

Midland Structures Ltd is a well-established Structural Steelwork Contractor based in the West Midlands. We offer a coordinated design, manufacture, and installation solution for all types of steel structures.

Through investment and innovation, we have developed a supply chain capable of accommodating our customer's requirements with projects ranging from 1 tonne up to 1000 tonnes. With the latest software and machinery, we are able to process in excess of 150 tonnes of steelwork per week.

Our 70,000 sq. ft. factory is equipped with two cut and drill lines, submerged arc welding, in house shot blasting, plasma cutting, robotic coping, off site assembly and a dedicated intumescent paint facility. Our Cutting-Edge facility reliably gives customers steelwork delivered on time and within budget allowing us to focus on building relationships within the industry.

## HOW TO APPLY /

Please send a copy of your CV (including contact details) to Nick Westwood, our in-house Talent Acquisition Specialist: [careers@midlandstructures.com](mailto:careers@midlandstructures.com).
